## Our History

Maddens Cafe Bar & Bistro is part of the Clew Bay Hotel, which started off as Westport's First Fish & Chip shop.

We are delighted to have Brian Ruddy's, Beer Battered Cod Recipe on our menu.

It was the place to be, with queues up James Street in the early days.

Simply cooked local fish that was the secret!

Today Madden's Cafe Bar & Bistro, has the same ethos of using fresh local ingredients to create simple & tasty dishes on our menu we are using local suppliers.

Our kitchen contains all 14 Food Allergens so we will go to every effort to ensure that there is no cross contamination but we cannot guarantee this 100%

For those who suffer with food allergies please make a member of staff aware and we will be delighted to assist you.

We would appreciate a review
